RESPONSE TOWARDS COVID-19 IN SCHOOLS - CDS

RE: Request for fundraising support for response towards COVID-19 in schools

The COVID-19 outbreak and subsequent quarantine of communities have caused many households to lose their livelihood and income. The CDS Kenya intends to access grants which will be used for preserving, promoting and supporting community's needs, especially pupils and student's response towards COVID19 in Schools.

We actively promote awareness and we ask for child protection, as they should be protected for their present and future health. It's because of this, that is necessary to adopt and diligently implement strong actions to slow the spread of COVID-19 inside the school and out in the community through adequate covid19 school policy.

I. OBJECTIVES:

BACKGROUND (CDS)

Community Development and Sustainability Organization (CDS) is an NGO registered and operating in Kenya implementing programmes, peace, food security, Human Rights protection, and promotion access to education, good governance and advocacy; representing the voice and pro-active action of communities in 5 countries as potential engines of the socio-economic growth and national democracy in respective jurisdictions.

It is a membership organization with members across the country and focuses on tackling the community challenges people face on day-to-day basis, in a structurally unified voice.

The CDS Kenya has the ability to make significant impact on sustainable development through the preservation and promotion of cultural and natural heritage. Through targeting dedicated organizations and individuals working for their communities at a grass-roots level, and supporting them through small grants, capacity building, and developing sustainability, we are able to achieve real and lasting benefits for those children and young people we aim to serve.

CREATION

Community Development and Sustainability Organization (CDS) was formed in June 2009.

Out of the need to replicate community development, CDS started out as a CBO registered in 2010 with the Ministry of Gender, Children and Social Development in Mt. Elgon. (Certificate No.3466). The CBO was changed to NGO in 2012 and is registered in the NGO Coordination Board under Certificate No. OP 218/051/12-0839/8736. CDS is a membership organization with members across the region and focuses on tackling the community challenges people face on day-to-day basis, providing structure and unity.

VISION.

The Vision of Community Development And Sustainability Organization (CDS) is a community that is empowered to advance knowledge to access basic needs which can promote sustainable livelihood through self-reliance and community participation.
